

Fairfield Friends Meeting

Privacy Policy

Last updated: July 14, 2019 – Approved by Monthly Meeting

Fairfield Friends Meeting uses Servant Keeper software for tracking members/attenders Personal Information. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from members/attenders.

We use your Personal Information only for providing contact information to other members/attenders through the online directory. By using Servant Keeper, you agree to the collection and use of information in accordance with this policy. You also agree not to use the information for any purpose beyond the intent to provide information to members/attenders, including but not limited to sale of the information contained therein. Each member/attender family will have their own login and password for their specific profile(s). Access to the online directory has a separate password, set up by the meeting.

An option in Servant Keeper is to not be included in the directory. You may choose this option if you do not want to be included in the online directory. Your information will remain in the system, but it will not be visible to other members/attenders.
